

Speed humps

Notice from Florida Road UIP – speed hump installation starts tomorrow:

Work on 10 speed humps will begin tomorrow, starting with signage installation and road preparation.

The project is expected to take at least two weeks to complete and will be phased, starting with Sandile Thusi to Gordon roads and then Gordon to Innes roads

Lane closures will occur and traffic will be affected. Please be patient and remember that the end-goal will make a huge difference to safety and pedestrian usability on the roads.
