8	variety of food outlets lots of food outlets and the different types of food catered for	Walking scale one can walk and find the variety with having to jump in the car	cosmopolitan and urban scale the cosmopolitan atmosphere and urban scale where the buildings are not too tall and everything cramped. although there is a crappy high rise getting built at the moment, the scale of the precinct is going to get wrecked now with the influx of cars and people.	limit development do not allow greedy developers to mess up the area by over developing the place. already the area has reached its threshold.	more secure parking park and ride or walk allocate secure parking spaces in different parking spots in the near vicinity. there could be a florida tuk tuk that ferries people from the car parks to the area.	improve lighting more market type half road closures and the restaurants spilling out on the street during certain hours. limit the venues that are constantly making a noise, impose a curfew time limit
9	Busy vibe.	Clean pavements.	Beautiful flowers.	Parking is always a problem.	Monitor people double parking & blocking the lanes.	

10	An issue that Ive noticed is the refuse coming from Florida fields, the liquid from the refuse look like it runs onto the pavement leaving marks and sometimes doesn't smell great there. Also people double parking outside TOPS , they think they can double park while traffic gets congested and drivers get irate.	That people are putting in an effort, example the UIP are doing a good work Good maintenance generally, eg the plants and pavements look good Good spots to eat and have coffee			Metro Police need to act when people are double parking and doing illegal U-turns all over the show, causing jams and annoyance	
11	attractive environment	Convenience	Ease of access	Mini bus parking	Better traffic flow	
12	The variety of coffee shops and restaurants & bars.	The walking distance to each establishment	the cleanliness and road monitors	Policing at night - there is enough meter maids going around during the day to give out traffic fines during the day, but at night time all hell breaks loose with no regard to double parking, beggars, thieves and drug dealers? There is not enough police presence to curb this behaviour!	Parking??	Taxis, Mynah buses and Delivery trucks stopping in Florida Rd cause major conjection...im not sure how we overcome this?

13	The mornings and daytime atmosphere.	The eating places	The aesthetics and overall appearance	More parking	More police presence at night	A night on Florida Rd does not need to be a drunken experience.
14	Full of vibrant activity,	go to Incite Church and get coffees from across the street & at Starbucks	good security on Sundays during church services from the parking attendants, funky, full of life	Pedestrian crossings management on Sunday mornings and evenings around Incite Church - the car guards generally do a good job-needs to be continued	Ensure street lighting is working	Efficient effective car guards on duty and visible - generally good on Sundays
15	Before Covid the vibe	Before Covid the selection of restaurants	Before Covid the cleanliness of the road	Stop people double parking	Restaurants keeping pavements clear so people can walk freely.	Cleanliness....nothing more off putting than rubbish on pavements
16	Variety of eateries	lots of trees and monkies	The character of the old buildings	Florida Road is relatively clean, but the side roads are absolutely revolting with litter. Especially Gordon Road	Variety of retail, not just restaurants	
17	the security.	the cleanliness	choice of restaurants	control of unruly patrons / visitors	the drunken behaviour and excessive shouting has to be controlled	Long overdue greater presence of Metro Police to stop hooligan drivers and fine them We and especially out of town visitors are appalled that a bad element is overtaking the road
18	The presence of the UIP guys. They do a great job.	The gardens always look well maintained.	Love the variety of places to eat or have a coffee.	Parking is a big problem. Especially cars that double park.		

19	The diverse mix of people	the UIP car guards	outdoor eating areas/urban spaces	Florida Fields is lovely, but can quickly get grotty with rubbish and unclean tables when busy. UIP cleaning staff for this area would make an amazing difference.	Keeping the pavements neat and clean in the surrounding roads would also make a huge difference as this is where many people park to access Florida Rd.	Community gatherings, markets etc are fantastic, this has obviously been difficult with COVID
20	Vibey,	Clean	Safe	Extra patrol service of police	Safer car parking	
21	Full of intertwinement Florida has a space Florida is beautiful	Clean Many restaurants and clubs Quick Service from waitress	Security Car guards Clean	Add more securities Saps to be always patrolling Car guards to at work at all times	Add more guards to protect us Saps is very lazy when it comes Florida Stop vagrents to harass us	Security must be tight because our valuebles are being taken Metro police is always on our case due to the parking Add all the banks atms

38	Very clean Nice flowers near the road Decoration in threes	Plenty restaurants Clubs Bars	Walking space Open space as well Parking	Securities Security vehicle which up and down ATMs	Fuel stations Everything is there It's interesting	Need saps to be always here by night times Protect us from the pickpocketers Protect our cars from the thieves
39	Safety, Restaurants & the cleanliness	Nothing Really	Refer to number 7	I'm satisfied	I'm fairly satisfied	I'm good
40	Nothing			More clubs!!!!		
41	Night life The hype Entertainment			More safety		
42	It has a vibrancy that attracts people to enjoy the many customer focused outlets from coffee shops, ice cream stores as well as restaurants. It has look & feel of desired destination & new building opposite FNB is sure to add to attraction of area.	See above	See above	Add parking or use Windermere Centre above ground parking on busy nights/weekends		
43	Love the independent shops	Drop Kicks	Paul's ice cream	Control of loud backfiring cars	Sticker control of car boot parties	Better street lights
44	Barnowl coffee	Spiga	Gorgeous deluxe	Traffic amd double parking	Parking and illegal u turns	Loud and un ruly behaviour
45	The many f&b outlets	Walking along the clean pavements during the day	Investment coming to the area	Driver etiquette, or make whole road a pedestrian road	Drunk and loud patrons walking the streets	Overly loud music from certain bars
46	Seacurity	Security	Safety	Security	Nothing	Security

47	Clean	Centrally located		Security	More parking	
48	Vibe	Vibe	Vibe	Customer service		
49	Great restaurants, coffee shops and love the diversity of people.	Great coffee shops	Love the diversity of people	Less beggars	Speeding cars	Continue the security presence
50	Very clean Open space Walking way	Main road is decorated with Christmas lights Nice and green trees Flowers	Have a lot of restaurants A lot of Bars Night clubs	To reduce the homeless people as they doesn't look good between of us The African children with their parents they also pestering with a Mony Beggars	When it's busy we don't get a parking Our vihecles are being stolen Thieves are smashing our vihecles wind and fled with our stuff	Advice your security to be more vigilant when they are on duty Car guards as well must always stay alert Some of your streets are dark and we want to know why?
51	The street is clean, there is minimal litter and the plants are pretty and well-tended.	Lovely old buildings have been maintained.	The big trees that give one the feeling of being in a forest and that allow the birds and monkeys a safe place in which to hide.	Parking is an issue; selfish drivers that double park should be chased away as the road is narrow and traffic builds up when cars cannot pass.	Triangular section of park at the top of Florida Road could be better maintained; the grass grows long and there is often litter which spoils the overall look of the road (this may be the municipality's problem, though).	Prevent the tramps from hanging around the Tops bottle store and begging! They want money to buy alcohol, of course.
52	Architecture	Upmarket and good mix of businesses	Vibe	Plant more trees	Manage the vagrants better	Maintain pavements and public walk ways
53	maintenance is done regularly to the sidewalks,	lighting and architecture	Funky vibe	greater parking availability	greater safety provided in the side streets off Florida Rd at night	ensure less congestion

54	It's multicultural It's walkable It has useable public spaces	It has usually has great food/coffee spaces It is beautiful old buildings mixed with fresh new add ons There is a police/security presence	There's an effort to keep things clean There are some efforts to have indigo green spaces It's accessible	Add more security More cleaning efforts needed, more bins Add recycling options	More indigenous greenery More public art Encourage more pedestrians, less cars	Work with Denis Hurley centre to address homelessness Work with iCare to address street children Encourage a sense of community by having central drop off points for charity donations
55	The food	Safety	Convenient location	More active patrols	Visible policing	More parking
56	chemist, bottle store, coffee shops			parking, drivers double parking should be heavily prosecuted		
57	The UIP guards make me me feel safe as they truly make a difference in reducing the crime	A variety of resturants to choose from	Some resturants are dog friendly which fits right into to the morningside culture. Gloria Jeans pup stop is the best. My dog loves drinking their water.	The cars that race up and down pose as a hazard and cause a disturbance at all hours on weekends. The road should be closed off to vehicles as people also double park and make u-turns anyway.	If there was a way to create a parking lot that would help ease the congestion of visitors.	Police need to fine car owners who cause the noise disturbance.
58	mix of stores and people	nice vibe	cool place with funky style	more street patrol extending onto side streets as people are vulnerable going to their cars or parking. Control people parking obstructing flow of traffic. Metro good at writing tickets but dont tell people of taxis to move.	cleanliness of surrounding streets , let the UIP programme work with surrounding CPFs	Get more residents involved in whats happening as their buy in supports local business and creates safer neighborhood for all, visitors and residents

59	Great vibe	Great range of restaurants and coffee shops	Spar	Get rid of those cars that rev, race and backfire all the time!	Clamp down in speeding between speedbumps	Repair roads
